Dear Parents and Friends of St Anthony’s

“Welcome to a new year of education for your child.” Hang on! Should the school be welcoming families or should families be welcoming the school: “Those who are in charge of schools must never forget that the parents have been appointed by God himself as the first and principal educators of their children ….. “

Pope John Paul 11.

A school and its teachers can only build on the teaching a child receives at home. The home should not reinforce the school, it should be the other way around.

Education is about valuing and nurturing every young person’s uniqueness and assisting them to fulfil their capabilities as students and later as adults. Parents and schools have a joint interest to ensure that our school provides an environment that is conducive to successful learning and personal achievement. If education is valued in the home and seen as life-enhancing, then children will view their schooling as being positive for them and worth investing their energies in. Parents and teachers working in collaboration can present education as a happy and fulfilling experience for children.

Research, anywhere in the world, confirms that when parents are partners in their children’s education, their children improve their achievement levels. So, keep in touch with the school. Don’t leave it always to the school to let you know how your child is achieving. Stay aware of what your child is learning, what their assignments are and how they perform in them. Arrange a visit to the school to talk with your child’s teacher or schedule a phone call. Good communication between home and school is vital to create and sustain a climate that is conducive to productive learning.

Parents, you are the source of your child’s affirmation. Children will believe what the people they love and trust believe, including how they feel about school and their ability to learn. So, after praise and encouragement, encourage perseverance.

A warm, supportive home atmosphere will influence your child’s confidence and motivation to become a successful learner.

A couple of years ago, a university study asked a randomly selected number of parents to respond to the question, “What does it mean to be a parent?” Here are extracts from three responses:

“Responsibility for teaching about love and caring for others; responsibility for keeping them safe and secure so their personalities can develop in a healthy way.”

“Something very special, close and loving; it means an enormous responsibility, it changes your life course; once you start being a parent, it’s an ongoing thing with worries and anxieties attached.”

“It’s the most important job you’ll ever have to do in your life. The social ramifications of parenting are so important, because the responsibility is yours to bring happy, well-adjusted people into adulthood …. and the joy and despair are often only seconds apart.”

It can be helpful, on occasion, to think about our role as parents, for it is truly a privilege to have given life to a child and have accepted the responsibility, great though it is, of nurturing and providing for that child through those developmental years. Fortunately, you have teachers who are professionals and who will serve to help you succeed. Your child will enter this school, move through its various grades and eventually leave; but your child will still be part of your family and still be your responsibility.

So welcome to the commencement of another school year when home and school come together to bring success to a new phase of development for your child.

“God, our Father, may Your guiding Spirit be strong within our hearts and minds throughout this school year, Amen.”

I trust all children and their families enjoyed the Christmas season and holidays. I am sure the children have been keen to share their holiday highlights with their classmates. I personally enjoyed the break with my family and I am now very much looking forward to the year ahead. As a school community we welcome Mrs Amanda Khoury and Miss Renee Small to the teaching staff of St Anthony’s for 2012. I also welcome back Mrs Luisa Onorato, who is returning from maternity leave. Mrs Onorato will be working in Year 2 and Year 5 on a Friday, releasing the coordinators, Mrs Digwood and Mrs Korny, for leadership release.

I extend a special welcome to all those families who are sending their children to St Anthony’s for the first time and who are beginning their association with the school. I trust that you continue to feel welcomed at St Anthony’s in the time you spend
here and that together we can work in a productive partnership for the wellbeing of your children.

Last Friday, the pupil free day, St Anthony’s staff spent a productive day getting ready for your children. We began the day celebrating prayer together as a school community focusing on what Jesus was asking of us when he commanded us to ‘love one another’ – Romans 12:10 ‘Be devoted to one another in love. Honor one another above yourselves’. The Christian life is all about relationships. It’s God’s design for our personal growth, which then translates into church growth – the real kind. Loving one another is a powerful evangelistic tool, as Jesus says: ‘By this all men will know that you are My disciples, if you have love for one another’ (John:13:35). The staff play a most significant role nevertheless it must also be remembered that “parents have been appointed by God himself as the first and principal educators of their children ….. “

Pope John Paul 11.

On Tuesday the Kindergarten students arrived to begin their learning journey at St Anthony’s. It was wonderful to see so many parents and grandparents supporting the children. A very special thank you to the St Anthony’s School Community Group for organising the Champagne and Tissues morning.

Earlier this year Mrs Michele Bowen’s father, Alfred (Ted) Stibbard, passed away on 2nd January, 2012. As a school community we express our sympathy to the Stibbard family for the loss of Ted, father, grandfather and great grandfather.

The St Anthony’s Swimming Carnival is being held at Wentworthville Swimming Pool on 9th February, 2012. This year the swimming carnival will include students in Years 3, 4, 5 & 6. There will be a few students in Year 2 who will be turning 8 years of age this year. They will be included in the carnival. Therefore, Kindergarten, Year 1 and the majority of Year 2 students will remain at the school on the carnival day.

A letter was sent home on Tuesday explaining the Swimming carnival information and requesting parents to volunteer their time to assist on the day. As you can imagine it takes a number of people to facilitate a sporting event and in past years the assistance on the day has been disappointing. It has been left to a small number of parents to support the event. This year I am urging you to consider offering your assistance, otherwise the planned structure of the running of the Swimming program will be cancelled and alternative arrangements will be made. I prefer not to make this decision so I ask you to give of your time and talents to support our students.

On Friday this week 17 Year 6 students will be travelling to Foxtel Studios at North Ryde to participate in ‘It’s Academic’ program. There are a number of sessions the students will work through to progress to the final production. On behalf of the school community I wish them all the best and encourage them to have the confidence in themselves to demonstrate their knowledge and also to enjoy the experience.

I wish to express my appreciation of the school leadership team, Mrs Patricia Charlton – Assistant Principal, Robert Barden – Religious Education Coordinator, Mrs Joanne Digwood and Mrs Louise Korny – both being Coordinators of learning. Each member of the school leadership team has specific responsibilities to assist in the joint effort to ensure that the learning and teaching at St Anthony’s –

- is relevant to the students and teachers – at their point of need
- will encourage students and teachers to enjoy learning
- will challenge them to be risk takers, and
- most importantly, develop our community members’ understanding of their relationship with God.

You will find in the Newsletter, on a regular basis, information provided by the leadership members on particular curriculum areas. Mrs Patricia Charlton always ensures that you are informed of the learning and teaching programs, progress and implementation of same. I encourage you to read the newsletter thoroughly so you can be abreast of the learning and teaching journey, be familiar with the programs being implemented in the school e.g. Reading Recovery, EMU. There are also many tips provided during the year for you to assist your child with their learning.

**CAR PARK CHILD SAFETY**

The first few weeks of Term 1 can be quite chaotic in the ‘kiss and drop’ area. It is important that the basic rules of the ‘kiss and drop’ area are adhered to.

**THE SAFETY OF OUR CHILDREN IS ALWAYS MOST IMPORTANT**

1. Keep to the speed limit.
2. Parents remain in their car while the children are alighting from the vehicle.
3. Be extra cautious at the pedestrian crossings.
4. No parking in the bus zone.
5. Vehicles to drive up to the drop zone, ensuring a safe line of vehicles waiting for children to alight from their vehicle.

**SCHOOL UNIFORM**

I would like to congratulate the children and parents on the way the majority of children returned to school wearing their St Anthony’s School uniform. The school uniform is one way of giving the school its identity and it is something the children should have pride in wearing. I encourage parents to be conscious of recommended grooming of their children such as hair styles and hair colour. Hair styles for the school term should be ones which do not attract attention. Hair for both boys and girls should be neat, tidy and of natural colour. Rat’s tails and shaved indents etc are not permitted. Girls with long hair are to wear it tied back or plaited and green bands should be worn. The recommended uniform states shoes to be black leather. The uniform policy also states that jewellery is not to be worn although children with pierced ears may wear a small stud or sleeper in each ear. I would also bring to your attention that the short ankle white socks are not a part of the sports uniform. The sport sock is the same
design as the green sock but in white. I thank you for your continued support.

**EXTRA CURRICULAR ACTIVITIES**
I am so excited to advise parents of the sporting opportunities that are available to the students of St Anthony’s. Our school supports the following:-

**Girraween Eagles Football Club**
- Registration Saturday 11th February, 2012
- St Anthony’s School Grounds between 10–2pm

**Starlights Netball Club**
- Main Registration – Sunday 5th February, 2012
- at the Toongabbie Sports Club.
- Second Registration Opportunity
- Friday 10th February, 2012
- St Anthony’s School Grounds between 3 – 5pm

Both these clubs attract many of our St Anthony’s students as participants in their sporting program. The registration days for the respective clubs is scheduled very soon so I ask you to encourage your child to participate in an active sporting life.

**SCHOOL DAY**
As previously advised at the end of last year, I wish to remind you that the hours of the school day are as follows:

<table>
<thead>
<tr>
<th>Time</th>
<th>Activity</th>
</tr>
</thead>
<tbody>
<tr>
<td>8:30am.</td>
<td>Teacher Playground Supervision</td>
</tr>
<tr>
<td>9am</td>
<td>School begins</td>
</tr>
<tr>
<td>9am – 11am</td>
<td>Learning Block (2 Hours)</td>
</tr>
<tr>
<td><strong>11am – 11:30am</strong></td>
<td><strong>Recess</strong></td>
</tr>
<tr>
<td>11:30am – 1:30pm</td>
<td>Learning Block (2 Hours)</td>
</tr>
<tr>
<td>1:30 – 1:45.m</td>
<td>Eating time – under supervision of classroom teachers.</td>
</tr>
<tr>
<td><strong>1:45 – 2:15pm</strong></td>
<td><strong>Lunch</strong></td>
</tr>
<tr>
<td>2:15 – 3:15pm</td>
<td>Learning Block (1 Hour)</td>
</tr>
<tr>
<td>3:15pm</td>
<td>School Dismissal.</td>
</tr>
</tbody>
</table>

As you will note in the above table, there are two eating breaks. The second break consists of 15 minutes supervised eating time and 30 minutes play time.

We appreciate that the changes to eating times might impact on some children’s eating habits. We therefore suggest that parents / carers talk to their children about how they are going to organise their food items for the day. The first break can still be considered as recess break and the second break can still be considered lunch time. However, as this break will be later in the day some children might like to eat their sandwich in the first break. It is quite possible that some children might need to bring an extra sandwich or piece of fruit.

**MUNCH AND CRUNCH**
The whole school continues this year with a ‘Munch and Crunch’ program. All students will participate in munch and crunch time during the middle learning block. Munch and Crunch time is a fruit and vegetable eating time with the focus being on fresh food that each student brings to school each day. ‘Munch and Crunch’ times will be included in your child’s ‘Grade Overview’ which will be coming home tomorrow, Friday 3rd February, 2012.

If you would like to discuss any aspect of ‘Munch and Crunch’ please contact me or Mrs Charlton on 9631 5283 or email cabrown15@parra.catholic.edu.au.

**WELCOME TO OUR SCHOOL**

**STAFF DEVELOPMENT DAYS**
I wish to advise you of the Staff Development Days (Pupil Free Days) for 2012.

- Friday 23rd March, 2012
- Tuesday, 12th June, 2012
- Monday 2nd July, 2012 (Please Note: this day is during the July School Holidays.)
- Monday 3rd September, 2012

I am very appreciative of the school staff in giving of their school holidays to attend a Staff Development Day on professional learning. The teachers will also engage in
two twilight Staff Development Days this year on Formation – based on text from the Most Rev Anthony Fisher OP, Bishop of Parramatta, titled ‘Close Encounters with Christ’. Our school community is invited to read, ponder and act upon the homilies and catechetical addresses contained in the text.

Enjoy the week and may you live in word and deed.

God Bless

Cheryl Brown
Principal

RECOMMENDATIONS

Welcome back for a new year. New years always bring with them new challenges, hopes and dreams.

Last week, our leadership team attended the System Leadership meeting with other school leadership teams from across the Diocese, as well as Catholic Education Office staff. It is often a time when we begin to clarify our school directions and goals for the year. Two words that were a focus for this year’s meeting were encounter and transformation.

In 2011, our school goal for formation was to deepen the faith formation of our community through a renewed focus on liturgy. We will build on this foundational work and seek to deepen our relationship with our God, by ensuring that our school community is a place where we encounter Christ.

What, then, are some of the ways in which we can encounter Christ in our school?

Through prayer and liturgy – the way in which Christ makes himself present to his Church and speaks to us.

Through the cycle of the liturgical year – the seasons and feasts we celebrate all provide us with opportunities to engage with different aspects of the Paschal Mystery; the life, death and resurrection of Christ.

Through engaging in our Catholic story – we will continue the work of deepening our understanding of scripture, and begin to explore how the Catholic story is particularly expressed through the Mercy vision upon which our school was founded.

Through building partnerships with our parish – we here at St Anthony’s School are just one part of the Church in this community; as school and parish we need to find ways to nourish and sustain our faith together.

Through our relationships – this is the daily work that often isn’t deliberate, but is often the most important; it is through our encounters with each other that we invite others to engage in an encounter with Christ.

In recent weeks at Mass, the gospels have given us an insight into the first encounters between Jesus and the men who would become his disciples. The transformation that took place wasn’t instant. Instead, Jesus offered them an invitation to “come and see”, to learn more about who he was and what he was about. It is the same for each of us. We are invited to a life-long encounter with Christ that will, if we let it, gradually transform us.

Upcoming Dates
Friday 17 February | Opening School Year Mass, 9:30am

Kind Regards

Robert Barden
Religious Education Coordinator

CURRICULUM NEWS

What’s Happening at St Anthony’s
Welcome back to all our students and families. I trust that you had a wonderful and relaxing Christmas holiday. I look forward to working with you and your children in 2012.

Learning Teams
St Anthony’s Learning Teams have been finalized for Term One. The learning teams comprise class teachers, teacher coaches, additional teachers (eg Mrs Stevenson) and teacher aides. Teacher aides are allocated to different grades (depending on student needs) for a specified period of time during the school day. Please note that the make-up of the learning teams can and do change from year to year (or term to term) to accommodate the learning needs of all our students and to provide maximum learning teaching opportunities to achieve our educational outcomes.

The Learning Teams for Term One 2012 are as follows:

<table>
<thead>
<tr>
<th>Term One 2012</th>
<th>Kindergarten</th>
<th>Year One</th>
<th>Year Two</th>
<th>Year Three</th>
<th>Year Four</th>
<th>Year Five</th>
<th>Year Six</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>Mrs Awkar, Mrs Sheraton and Mrs Barker (Mon, Tues)</td>
<td>Mrs Mitchell, Mrs Ward, Miss James and Mrs Barker (Mon, Tues)</td>
<td>Mrs Francis, Mrs Digwood and Mrs Ward (Mon, Tues, Wed)</td>
<td>Miss Younes, Mrs Khoury and Mrs Bowen (Mon, Tues, Wed)</td>
<td>Mr Barden, Miss Small and Mrs Peatman (Tues, Wed)</td>
<td>Miss Watson, Mrs Korny and Mrs Charlton (Mon, Tues, Wed)</td>
<td>Mrs Leach, Ms Robertson, Mrs Flood and Mrs Charlton (Mon, Tues, Wed)</td>
</tr>
<tr>
<td></td>
<td>Mrs Bowen (Mon, Tues, Wed, Fri)</td>
<td>Mrs McKinnon (Mon, Tues, Wed)</td>
<td>Mrs Baiada (Tues)</td>
<td>Mrs Peatman (Tues, Wed)</td>
<td>Mrs Baiada (Mon)</td>
<td>Mrs Baiada (Mon)</td>
<td>Mrs Baiada (Mon)</td>
</tr>
<tr>
<td></td>
<td>Mrs McKinnon (Mon, Tues, Wed)</td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>
Mrs Stevenson is also a member of our learning teams. This term Mrs Stevenson will be working in Year 3, Year 4, Year 5 and Year 6. Ms Robertson will be facilitating the Maths Olympiad program this term.

Meet and Greet
Due to the wonderful success of last year’s Meet and Greet sessions St Anthony’s will be holding ‘Meet and Greets’ again this year.

The dates for these sessions are: Tuesday 14th February, Wednesday 15th February and Thursday 16th February. A letter will go home next week with details. Please put these dates in your calendar so you don’t miss this valuable opportunity to discuss your child’s needs with their class teacher.

Volunteer Child Protection Sessions
There has been a change to the implementation of the mandatory ‘Child Protection Workshop.’ If you are a new parent to the school and you wish to work as a volunteer at the school (in any capacity) you will need to attend one of the scheduled workshops. Parents who have already attended the mandatory workshop in the past (here at St Anthony’s) and have already completed all the relevant documentation you need not attend the scheduled workshop. However, if your documentation isn’t current and you wish to volunteer again this year you can complete the ‘online volunteers child protection session.’ Once you have completed the online session you must submit the document with your signature to the school office. You must also bring in your driver’s licence for identification purposes. Please keep in mind it is a legislative requirement that your Volunteer Child Protection Cover must be completed every 2 years. If your cover has lapsed you must complete the online course or attend one of the school workshops. We urge all parents / carers who have some spare time to consider volunteering to work in the school. St Anthony’s depends on the generosity of our school community to assist us in implementing many of our programs and activities. For example our Swimming Carnival will take place next Thursday, 9th February and we will need the support of our parent / carer volunteers for this event to go ahead.

Session times for school workshops are as follows:

Tuesday, 7th February at 6:30pm
Or
Monday, 13th February at 2:30pm

The session runs for approximately 30 minutes. Please keep in mind that attendance at a ‘Child Protection’ workshop or completion of the ‘Online’ course is mandatory should you wish to work with students / teachers in any capacity – classroom helpers, canteen assistant, assisting in class or overnight excursions, assisting in sporting events etc. I encourage you to think ahead when considering whether to complete the child protection course as parents / carers can be disappointed if they are not selected to participate in or attend an excursion because they have not completed the compulsory course.

To help in the organisation of the workshops I ask you to indicate on the tear-off slip below which session you will be attending. For parents who are renewing their documentation online please remember all documentation must be sighted at the school office. The website is https://check.kids.nsw.gov.au/volunteer-declaration.php

Assessment
Our teachers are currently conducting a Mathematics Assessment Interview with all students. The Mathematics Assessment Interview is a very comprehensive assessment that is administered individually. It is used to identify the key growth points that describe children’s mathematical learning in the domains of Counting, Place Value, Addition and Subtraction Strategies, and Multiplication and Division Strategies. Growth points are regarded as key stepping stones along paths to mathematical understanding. For example if a child is at growth point 1 in counting; the child is able to count the number sequence to at least 20, but is not yet able to reliably count a collection of that size. A student at growth point 2 is able to confidently count a collection of around 20 objects and a child at growth point 4 can count from 0 by 2’s, 5’s and 10’s to a given target.

Growth Points are useful because they help teachers:

- Understand how children learn;
- Assess and monitor children’s growth in understanding;
- Identify children who are at risk;
- Plan and target teaching so that teachers can identify the experiences that will most effectively help children reach the next growth point in their mathematical learning.

The growth points therefore provide teachers with a useful framework for reflecting on and evaluating the strategies a child uses to solve numerical problems. This information can be used as a starting point in planning future instructional activities that meet the learning needs of each child and provide support children’s move towards the next growth point in their learning. (Ann Gervasoni, 2008, Success In Numeracy Education Strategy.) MAI’s is one tool that teachers use to gain information about their students mathematical learning. The use of open-ended tasks within mathematics lessons, as well as teacher designed assessment tasks provide further insights for teachers about children’s understanding of mathematics. Assessment is on-going; it helps us discover not just what students know, but how deeply they understand what they have learnt.

Kind Regards

Patricia Charlton
Assistant Principal

We ask that everyone please ensure their child has spare underwear in their bag in case of any little accidents that might happen here at school.
Catherine McAuley Westmead
School Open Mornings
Tuesday 14th February & Wednesday 14th March 2012 9:15 – 11am

Enrolments for Year 7 2013
Catherine McAuley Westmead holds a number of School Open Mornings throughout the year. There will be two Open Mornings specifically for Year 7 2013 enrolments on Tuesday 14th February and Wednesday 14th March 2012. These mornings will give interested parents and students the opportunity to tour our school on a normal school day. You will be able to view our school grounds and facilities, go into classrooms and see them in action and meet our students and teachers.

To book places for a school tour on one of these tour mornings please contact our School Reception on 9849 9100.

There will also be a Year 7 2013 Enrolment Information Evening on Monday, 19th March from 6:30 – 7:30pm. This evening will provide further information on the school and the enrolment process. Completed enrolment forms may be lodged at this meeting. Prior to the presentations there will be a further opportunity to tour the school with school tours running at 5:30pm and 5:45pm.

Please RSVP for the Year 7 Enrolment Information Evening by phoning the School Reception.

Starlights Netball Club
2012 Registration Day
Sunday 5th February 2012
At Toongabbie Sports & Bowling Club from 2pm to 5pm

1) Read & complete a 2012 registration form. All new players & players turning 10 this year need a copy of their birth certificate. Forms available www.starlights.netball.asn.au

2) Complete a uniform order form if any new items needed. Starlights bodysuit and socks are essential for all players.

3) Make payment via direct debit before Friday 4th February, or pay cash/cheque on registration day.

Please note that EFTPOS is no longer available for payment of registration fees. All payments will need to be made in cash, cheque or by electronic transfer. When making an internet payment please email the payment receipt to our email address with all your details.

BSB 062-224 Account 00903128 Starlights Netball Club (Commonwealth Bank)
Senior $155 Junior $120 Netta $100

CAIENTE ROSTER – FEBRUARY 6 - 10
Monday Judi Adams, Kathy Grivas
Tuesday Parveen Atwal
Wednesday Rachael Christie, Denise Andree-Evarts
Thursday
Friday Sav Cosgrove, Sue Adams

Please note that a new price list (purple form) went home on Monday.

We are in urgent need of helpers for the Canteen so if you are able to help out at all, please fill in the tear-off slip below and return it to the office.
